Your reference

Dear Sir,

We (Bluewater Technical Support NV) herewith confirm that IRP Fire & Safety Ltd may act as our representative for the after sales services and supply of hardware related to the existing SPM's (i.e. BPTT and BHP) in the Territory of Trinidad.& Tobago..

IRP Fire & Safety Limited is therefore entitled to make contact and follow-up calls with Oil Companies, Terminals and Ports in this region on our behalf for the purpose of promoting products manufactured / delivered by Bluewater.

Our representative IRP Fire & Safety Limited may also act as commercial liaison for transactions to comply with Oil Company's payments terms and as such may attend the related meetings which will be subject to mutual agreement on case by case basis.

This arrangement will be valid till 31 December 2020

Best regards,

Ton van Schie
Department Head After Sales
