Re: Distributor Letter

To Whom It May Concern:

This letter is to inform that the following safety company is a distributor of Thomas Products fiberglass enclosures:

IRP FIRE & SAFETY LIMITED
Boundary Road
San Juan, Trinidad, W.I.

Thomas Products is a leading manufacturer of superior quality fiberglass enclosures designed to protect valuable lifesaving equipment from exposure to harsh, corrosive environments. A wide range of industries in areas where exposure to chemicals, moisture, dust, salt air, insects and temperature extremes are common but where the highest degree of product integrity is required uses these enclosures extensively.

Standard Thomas Products enclosures are manufactured under U.S. Patent No. 4,998,587 and are available in a multitude of colors as well as interior designs to meet your specifications. Their rugged and durable construction combine to produce a dependable and virtually airtight enclosure with a much longer life expectancy than that of steel, aluminum or plastic enclosures. Thomas Products cabinets are manufactured with high standards and quality workmanship recognized as the best in our industry.

If we can be of further assistance, please contact us at (361) 289-6888, fax (361) 289-6886, or through the e-mail system.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Glenn Shick", written in a cursive style.

Glenn Shick
