IRP  
CARICOM Region

RE: Distributorship IRP

Dear sirs:

Solberg products are part of Perimeter Solutions and as the Sales Manager for Latin America and the Caribbean, I am responsible for setting up and managing authorized Solberg distribution in this region. Therefore, I confirm that IRP is our Solberg foam concentrates and systems distributor for the CARICOM region, which includes St. Lucia.

As our distributor, IRP has direct access to factory-new equipment and parts and direct access to our technical services team in Green Bay, WI. In addition, they have access to all product updates, manuals and technical information.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Loria", is written over a circular scribble.

Marco Loria  
Sales Manager  
Latin America and the Caribbean  
Perimeter Solutions
